

Position: Housing Stability Worker, Street Level Women at Risk

Reports to: Managing Director of Street Level Women at Risk (SLWAR)

Position Summary:

Exciting and unique opportunities exist in the Street Level Women at Risk Program, a leading Housing First Program. The Housing Stability Worker supports street involved sex workers to achieve housing stability through intensive in home support for a caseload of up to 10 high acuity participants. Some of the other duties include but are not limited to: connecting participants to services and assisting participants to transition into their housing and community.

The Housing Stability Worker shall report to the Case Coordinator, Managing Director and the Executive Director of the funded agency.

Details of Work:

- Immediate start
- Full time, part time, and causal opportunities available
- \$21.98/hour
- Includes evenings, weekends and public holidays
- Schedule may vary according to program needs
- Participate in the on-call system

Job Duties/Responsibilities:

The Housing Stability Worker primary role is identified, but not limited to:

- Provide intensive case management including regular, continuous contact with the participant
- Apply documented, structured case planning with identified goals to ensure participant interactions have objectives and are outcome oriented
- Work cooperatively with the Street Level Women at Risk collaborative agencies and other supports involved with the participants ongoing care
- Broker and advocate with other system elements, accompany clients to appointments, provide proactive crisis planning, organize meaningful daily activity opportunities and liaise with Ontario Works and Ontario Disability Support Program
- Connect the participant with appropriate services or supports based on their needs, including physical healthcare, mental healthcare, addiction services, trauma services, vocational assessment and training, employment, volunteer and social-recreational opportunities
- Facilitate community integration and linkages to “mainstream” community resources (libraries, community centres, recreation, etc.)
- Connect participants to other long or short-term formal and informal supports

- Prepare and plan for “homelessness proofing” and re-housing. Includes recognizing and averting indicators that may de-stabilize a participants housing and focus on what worked when re-housing a participant
- Apply a collaborative approach to case planning and record keeping. Collect and record demographic information and maintain detailed case notes, case management plans and contact lists of involved supports and community services using the integrated data management program
- Support landlords as necessary in conjunction with the Housing Selection Worker and the participant
- Provide after-hours support as scheduled
- Participate in SLWAR team meetings
- Alert the SLWAR Case Coordinator or designate of information that could affect the safety and well-being of street involved individuals
- Maintain a regular caseload of an average of 10 participants at any time
- Other duties as assigned

Knowledge, Skills, Abilities and Other Requirements:

- Completed post-secondary education in social services or related field and a minimum 2 years work experience in addictions and mental health
- Clear Vulnerable Sector Check required
- First Aid/CPR Required
- Valid G Driver’s License and access to reliable vehicle required
- Considerable experience addressing the needs of individuals and families experiencing homelessness or those at risk of homelessness including developing and implementing successful case management plans
- Thorough understanding of harm reduction theory and demonstrated ability to implement harm reduction strategies
- Advanced skills to enhance participant motivation in order to make and follow through on decisions related to treatment, stability and wellness
- Experience in assisting persons living with addictions, mental health, psycho/social/physical, educational, emotional and/or environmental concerns in a social service setting
- Understanding of community agencies and a cross section of service providers;
- Knowledge of services to support this population and an ability to provide participant advocacy and proactive participant planning with other system elements
- Experience with ongoing evaluation of complex case management or treatment plans, engaging with the participant and other resources in adjusting the plan, as appropriate
- Experience with conflict resolution practices including "in the moment" problem solving and intervention.
- Training and experience using Service Prioritization Decision Assistance Tool (SPDAT) is preferred
- Experience working in community outreach is an asset

Working Conditions:

- Use of personal vehicle and public transportation with participants
- Possibility of working alone
- Working in a variety of locations, participant's homes, community locations and agencies
- May be required to assist participants with moving into homes
- Regular exposure dogs, cats and other household pets
- Possible exposure to second hand smoke
- Exposure to emotionally strenuous situations
- Regular travel required within the City of London
- Working with individuals who have a history of trauma and homelessness and the potential to be aggressive
- May be exposed to infectious and communicable diseases
- Manual dexterity required to use desktop computer and peripherals.
- Overtime as required
- Moderate physical activity including walking, standing, sitting, lifting
