

Report from the President of the ADSTV Foundation Board

The ADSTV Foundation exists to support the work of the ADSTV Agency.

Our focus for 2017-18 has been and continues to be on solidifying the governance of the Foundation. We are working to add new board members and update the policies governing the board. As we look forward, we are investigating new ways to raise funds to support the Agency.

Our Foundation Board is small but mighty.

Thank you to the dedicated Board Members who make all of this work possible:

- Danielle Urquhart, Independent Social Worker
- Michael Steele, Senior Financial Planning Consultant, Manulife Financial
- Thomas Burnett, Investment Advisor, CIBC Wood Gundy
- Michael Blewett, President, Blewett & Associates Inc.

I am pleased to announce that Ian Hesketh has agreed to join the Foundation Board. We are excited to have his experience and insight added to ours.

Respectfully submitted by

**Mike Steele, President
