

Report from the Chairperson of the ADSTV Foundation Board

The ADSTV Foundation exists to support the work of the ADSTV Agency. We continue to support key initiatives such as the annual Stage for Change events and our communications staff. We are always looking for innovative programs we can support such as Equine Therapy.

Given the current environment we are operating in, we are not looking for any new fundraising initiatives. We continue to receive donations from individuals and organizations, manage the funds under our care, and monitor the ongoing political environment.

Our Foundation Board is small but mighty. Thank you to the dedicated Foundation Board Members who make all of this work possible:

- Danielle Urquhart, Independent Social Worker
- Michael Steele, Senior Financial Planning Consultant, Manulife Financial
- Thomas Burnett, Investment Advisor, CIBC Wood Gundy
- Michael Blewett, President, Blewett & Associates Inc.
- Ian Hesketh, Business Manager

Finally, I want to thank Linda Sibley and Peggy Harper for the ongoing support and guidance they provide to the Foundation Board.

Respectfully submitted by

**Mike Steele, Chairperson
ADSTV Foundation Board**
